1.	CE welcomed the group.	
2.	Presentation RCI - Molecular RBC typing Presented by Martin Maley  RBC DNA typing.pdf	
3.	Minutes of previous meeting 02.02.12 Minutes confirmed. Can be posted onto website. Matters arising IT issues - CE took to Blood Consultative Commission – MHRA reviewing. MBFFP issued on named patient basis – Customer Services not aware of this, seems to be historic to North East hospitals only.	JR
4.	NHSBT Departmental Update No update	
5.	Customer Service Update  Report for NBCUG 280612.pdf RC to invite to project manager of SPICE project to speak at November meeting. RC to look into potassium levels of washed red cells at day 14.	RC RC

6.	Trust / Hospital Reports  reports.pdf	
7.	Regional audits <ul style="list-style-type: none"> • Wrong Blood in Tube. 44 cases to date 50% errors from medical staff 83% staff involved have up to date training and competency Data collection closes end of July • Repeat survey of Transfer of Blood with Patient. 48 cases transferred in 33 cases transferred out Data collection closes 3rd July 2012 • Where do platelets go? Thank you for 1st round of data collection 2nd round of data collection ends 5th July 355 number of cases entered to date 	
8.	Education days / Events <ul style="list-style-type: none"> • Too Much To Lose 17 places still available, programme finalised.  Programme.pdf • Pre-Assessment Nurses Survey sent via TPs to all Pre-Assessment nurses to gain their thoughts / ideas for a study day – closing date for returns end of July. • Quality Audit Training Workshop Original event was well evaluated and the RTT is considering a further event in early 2013. Feedback in response to this suggestion shows there is demand within the region for an event very similar to the first. 	
9.	NBTC Lab managers representative Karen Ward unable to attend next meeting, Cheryl Kempton to attend in her place. Will be discussing Transfer of blood policy.	
10.	MHRA Blood Consultative Committee   Report from March 2012 Blood Consultative Committee Notes BCC March 2012.doc	
11.	Regional Special Requirements Notification Procedure  Shared care form EoE 05.2011.doc Group agreed single form a good idea but would prefer a simplified version. YS to amend.	YS
12.	AOB RC. Compatibility guidelines due to be released Sept / Oct 2012. KS. Positive feedback from MHRA inspection in February, 6 others and 5 comments EFI inspection in October Hospital services training to include effect of late delivery on hospital services and patients following late delivery of components. JL. Will CMV- units issued when not requested be charged, RC confirmed they	

	<p>would not be.</p> <p>YS. Changes in washed units. RC stated no technical changes have been made and requested details to be forwarded to him.</p> <p>MM. SPICE. YS involved in pilot, time scales have slipped. Paper reports to continue until electronic reporting sorted out.</p> <p></p> <p>SPICE v11.pdf</p>	
13.	<p>Date and time of next meetings</p> <p>1pm Tuesday 9th October 2012.</p> <p>Lecture Theatre, Newcastle Blood Centre.</p>
