Item No.	Action	Actionee	Attachments
1.0	<b>Welcome and apologies</b> <ul style="list-style-type: none"> <li>Nicola Osborn welcomed the group.</li> <li>Stefan Bird (Dudley) to be invited to future meetings (Action SB)</li> </ul>	SB	
2.0	<b>Minutes/ Action log</b>  Minutes from the 23 March 2019 agreed as a true reflection.  Action log attached		 WM CS Action Log 2019_20.xlsx
3.0	<b>Cell Salvage Updates:</b>  <b>Coding/Tariff IOCS</b> - DH fed back to the group around the tariff available for processing. An audit had taken place previously and found to be 1/40 IOCS cases had been coded DH shared the codes with the group (see PowerPoint)  <b>Prescribing IOCS blood</b> – It was highlighted from the members attending the meeting that this was documented in various places. It was agreed that the group are to bring in their own document from each hospital to see variants of documentation.	All	 Clinical Coding for ICS.pptx

4.0	<p><b>BBTS Poster Updates</b></p> <p>A poster was developed by MC and MB and presented at BBTS on behalf of the West Midlands Cell Salvage group. Both MC and MB attended. They were both interviewed by Alistair Jones and an Anaesthetist (London). MC reported back to the group that this was a great experience.</p> <p>Poster to be displayed at the WM RTC meeting 5/11/19</p> <p>Poster to be sent out to the group</p> <p>MB and GE agreed to put in an abstract to BBTS 2020</p>	<p><b>MB/MC</b></p> <p><b>AS</b></p> <p><b>MB/GE</b></p>	 <p>BBTS IOCS survey Poster 2019.pdf</p>
5.0	<p><b>Moodle/Training</b></p> <p>DH gave his 'Moodle Programme' presentation. He explained that all have to use 'Learnpro' initially and the Moodle is specific to their trust.</p> <p>FC suggested adding a 'version' on the presentation (as a controlled document). It was also suggested to add a link to the UKCSAG Factsheet (from the JPAC site)</p> <p>PP presentation to be sent to the group</p> <p>FC suggested a survey to see how training is delivered in each hospital and platforms used.</p>	<p><b>DH</b></p> <p><b>AS</b></p> <p><b>AS</b></p>	 <p>questions-Cell Salvage Update-Cell</p>  <p>Intraoperative Cell Salvage update2.ppt</p>
6.0	<p><b>Cell Saver Revision Hips 2018 to Update</b></p> <p>CB not in attendance to feedback at next meeting</p>	<b>CB</b>	
7.0	<p><b>NHSBT Updates</b></p> <p>AS - updated the group of OD Neg issues.</p> <p>SaBTO latest update discussed around MB FFP. This is to provide UK plasma components for all UK recipients, removing the requirement for patients born on or after 1st January 1996 to receive FFP/Cryo sourced from imported plasma.</p> <p>It does not change the current recommendation that SD plasma is recommended for patients being treated for TTP.</p>		
8.0	<p><b>Local Cell Salvage Updates – increased / decreased usage; problems / issues; practice developments.</b></p> <p><b>Hereford</b> – They have had a new IOCS machine (Liva Nova) for the last 6 months. This can be potentially used for all surgery.</p> <p><b>George Eliot</b> – PG informed the group that a 'table top' exercise is due to take place following a patient presenting with Placenta accreta. IOCS has been recommended to be implemented in the hospital, Haemonetics are supporting this Training is taking place for use in Obstetrics with view to use in Orthopaedics in the future (however there has been some obstruction from ODPs).</p>	<b>DH</b>	 <p>anonymisedCell Salvage Cost Analysis:</p>  <p>costings.doc</p>

	<p><b>UHB - Heart of England</b> – DH has looked at disposables and costings. This is to be shared with the group</p> <p>Scrub nurses have been trained at HEFT (should they need to take on the role quickly).</p> <p>IOCS used for 2<sup>nd</sup> stages 2(revisions) for the last 6 months. Microbiology swabbed after skin incision and results Negative.</p> <p><b>UHCW</b> – FC reported that an Incident report is being developed for all specialist usage. Encouragement for use in Orthopaedics .</p> <p><b>Wolverhampton</b> – MB hoping Obstetrics have their business case approved (This was put in 12 months ago).</p>		
9.0	<p><b>Any Other Business</b></p> <p>It appears that the WMCS group are the only regional IOCS set up, however areas are interested in setting one up.</p> <p>Thoughts for surveys/posters next year. All to send ideas to SB</p> <p>A IOCS 6 month Obstetric Haemorrhage data collection excel spreadsheet has been developed by the group. Collected data is to be discussed by all at the March meeting</p> <p>Training documents to be sent to the group (setting up collection)</p> <p>DH informed the group he will be stepping down from the group – the group wished him well in his next role.</p>	<p><b>All</b></p> <p><b>All</b></p>	 Setting up for Collection.doc   IOCS 6 month Obstetric Haemorrhage
10.0	<p><b>Date and Time of Next Meetings 2020:</b></p> <ul style="list-style-type: none"> <li>• <b>Fri 06 March 2020 - (BNS) – R2</b></li> <li>• <b>Fri 18 September 2020 - (BNS) – R2</b></li> </ul>
