1. Welcome and Apologies

The Chairman welcomed everyone to the meeting and introductions were made around the table.

Persons listed above sent their apologies prior to the meeting.

2. Matters arising and actions from minutes of Thurs 18 June 2015

Minutes accepted.

Matters Arising:

RTC Attendance – SB is continuing to log attendance and non-attendance following each RTC Business Group, TP, TLM and Cell salvage meeting, and reports back to CN and the RTC group.

Action: SB

All other actions completed or on the agenda.

3. RTC Objectives – 2015/2016:

Draft RTC objectives for 2015/2016 were discussed and the topic of communications was an important way forward. However, issues surrounding security had been experienced with online forums'. Twitter on the other hand had worked well. Alister Jones will look into this and report back.

Action: AJ

4. Update from NBTC EWG and National RTC Chairs' meeting :

Summary of National Blood Transfusion Committee (NBTC) meeting September 2015:

New Anaemia Nurse - has commenced at Stoke, Deborah Sumner (DS). DS will come to our next meeting and present for us what her role has entailed, over the past few months. SB will make contact and invite DS to talk at the next RTC.

Action: SB

GP transfusion referrals – SWRTC did an audit on this. AJ to forward report to RTT/RTC audit group when completed.

Action: AJ

5. Audit Updates :

Regional Audit:

- *Out of hour's transfusion audit* – CMT is completing the audit tool and will plan to send out at the end of November. It will be one random week of data collection.

Action: CMT

- *Albumin survey* – MHe has been discussing this with the regional Laboratory Managers group, who were keen to look further at this, due to the sharp increase in usage.
- *WBIT* – audit completed: report almost finished: to be circulated to RTC audit group, and posted on RTC website when done.

Action: SB

National Audit:

- *Patient Blood Management (PBM) Survey* – this survey is due to be launched at the end of November. Feedback should be available at the end of January 2016.
- *NCA of PBM in survey* – reports and resources now available on each hospital's NCA homepage; as part of the AFFINITI project it is essential that no cross contamination or sharing of information with other hospitals or trusts can be undertaken.
- *PBM Champion* – it had been discussed at HTCs about having various PBM Champion roles around the region.

6. Regional IV Iron Survey :

BH presented results to the RTC and SB will attach hereto. CMT has a few comments to add into this and will send to SB/BH.

Action: BH/CMT/SB

7. O Neg and Wastage :

AH presented a report and SB will attach to these minutes.
