SWRTC 2018 Platelet Audit

Caring Expert Quality

Platelet Audit

Challenges:

9 hospitals participated – thank you!

43 major haemorrhages

14 obstetric haemorrhages

Platelet Audit

- **Does your policy / guideline state that at initial call platelets should be:**
- Issued up front – 4 / 9 in Major Haem
 - 3 / 8 in obs haem (1 hospital – no obstetrics)

Platelet Audit

- All hospitals that responded kept a stock unit of platelets
