

North East RTC

Introduction to Coaching and Action Learning Sets

Facilitated by Kairen Coffey
Education and Audit Lead NHSBT

Free event

**Places limited
Book early**

**Two 1 day events
18th and 19th March 2015 10:00am - 15:00pm
NHS Blood and Transplant, Newcastle**

The day is suitable for all Transfusion Practitioners and Biomedical Scientists, irrespective of clinical background, experience or seniority.

Both days will focus on using coaching in the workplace. You will be introduced to a simple coaching model and additionally how coaching can be used as a support and development tool in an Action Learning Set.
